

How To Submit Data and Download Results Scribe[®]

1 Navigate to <https://wiz-app.up.railway.app/seqM>

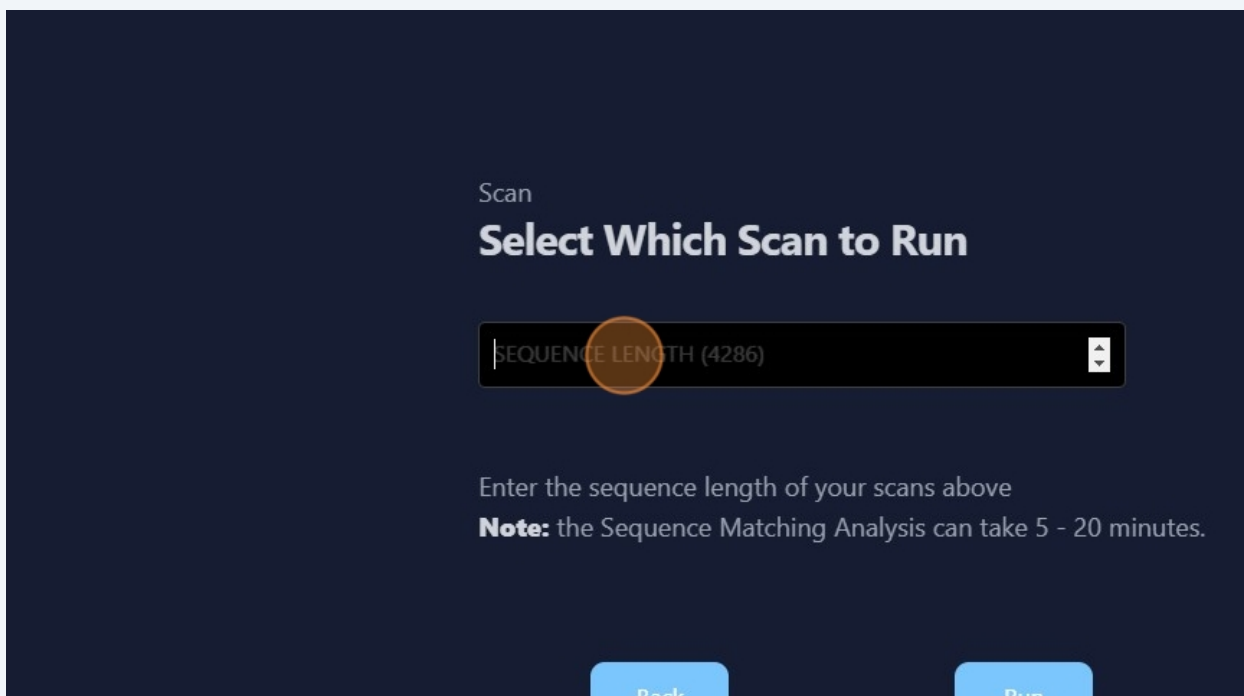

2 Click this file field. and upload a BiopharmaFinder PNG scan output

3 Click "Submit"

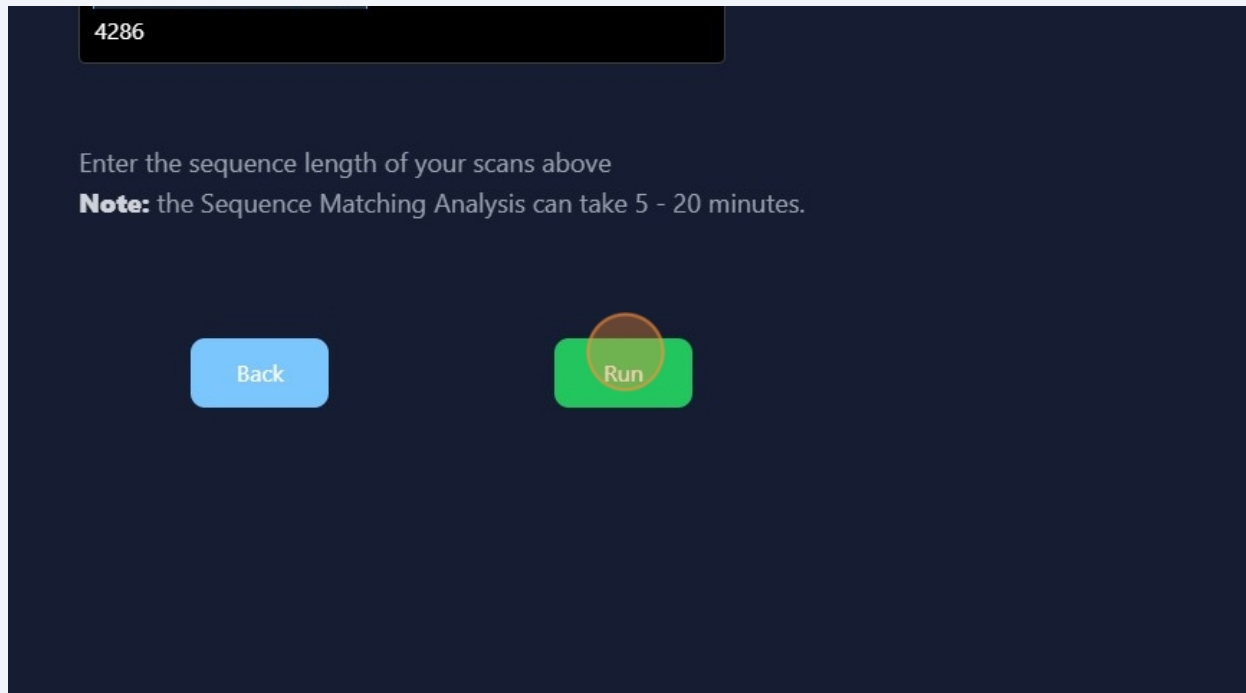

4 Click this number field.

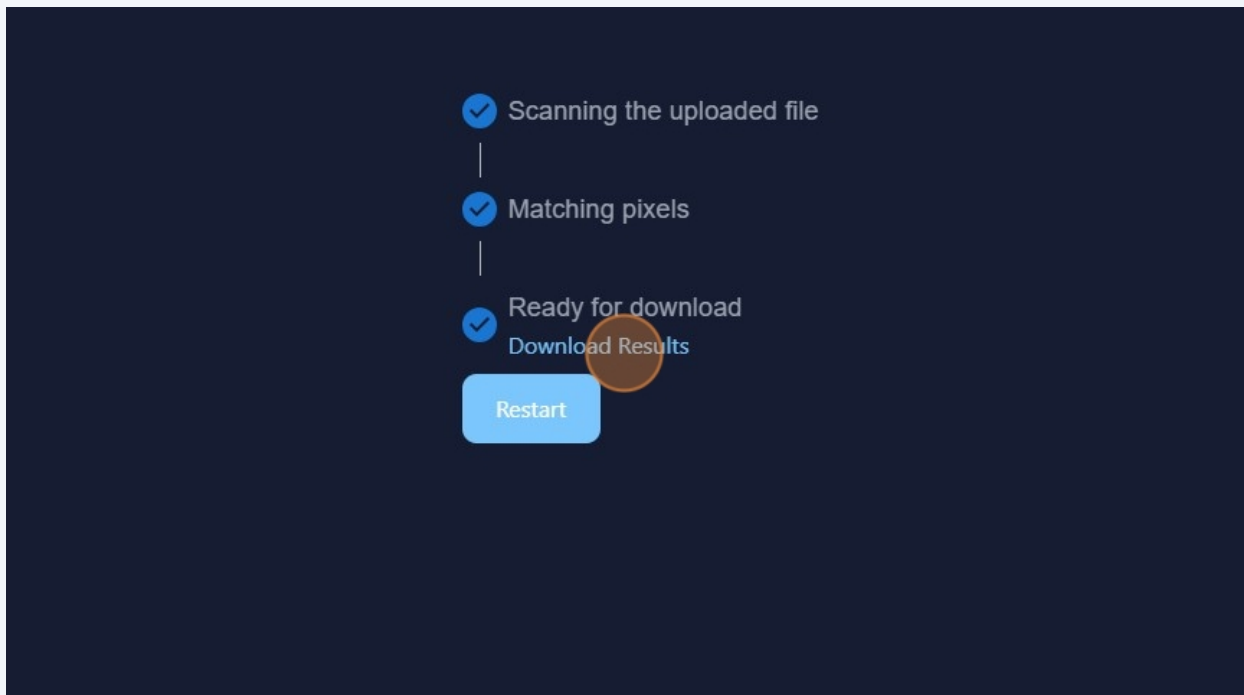

5 Type the sequence length i.e. "4286"

6 Click "Run" and wait for the run to complete

A screenshot of a web interface with a dark blue background. At the top, a black input field contains the text "4286". Below the input field, the text "Enter the sequence length of your scans above" is displayed. Underneath, a note states: "Note: the Sequence Matching Analysis can take 5 - 20 minutes." At the bottom of the interface, there are two buttons: a light blue button labeled "Back" and a green button labeled "Run". The "Run" button has a brown circular cursor icon positioned over it.

7 Click "Download Results"

8 Click "Restart"
